THE REAL ELTON LINEAGE.

Tom has met Sir Elton John on multiple occasions and worked with him in the studio on Nigel Olsson's album. Nigel — Elton's drummer since 1969 — is a close friend who has joined Tom onstage many times, including at The Troubadour in Los Angeles, the room where Elton broke America.

Tom learnt the piano in lockdown in 2021 to help stay sober and now tours the world — a story covered by The Guardian, the BBC, KCRW, Men's Health and more.
